

**We pride ourselves in:**

- ✓ **Facilitating finance for businesses on all levels of society**
- ✓ **Excellent quality service based on experience and skills**
- ✓ **Personalized attention**

**Our services include:**

**Business Finance:** Sourcing finance through accredited financial institutions, for clients with a need to improve the current financial position of their business. We focus on acquiring funds for businesses of all kinds and sizes fitting the criteria of our financiers.

**Term loans:** From R300,000.00 upwards, these loans usually vary from 3 to 7 years, with interest rates based on risk.

**Bridging Finance:** This facility is available for the applicant, awaiting the finalization of a term loan. This facility is focused on short term (ideally 1 month to 6 month), The interest rates are substantially higher than term loans, but can be acquired in a shorter time frame. Subject to availability.

**Venture Capital:** Riskier than the above for the financier, we have recently begun to expand into the market of sourcing capital for starting business ventures. Criteria for acquiring a loan will be merited on each application, as each is unique and possess various degrees of security. **More information will be provided on request.**

**Personal Loans:** Personal loans can be used for anything, from paying for education, medical fees, to consolidate debt even to that long desired holiday. No queues, no fuss. The complete process from the application to the signing of the contract is done via e-mail or fax. You almost won't need to move away from your work station.
