

Speaker profile:

Company: VETTA Communication

Abbreviated bio:

VETTA Communication (Pty) Ltd is not just a training company. VETTA is a dynamic company that services specific training and development needs of small, medium and large businesses – from a wide selection of leading-edge courses and products with a strong focus on experiential value, sustainability and return-on-investment.

Offering over 60 essential courses (accredited and non-accredited) for more than 18 years, VETTA is in the business of maximising and sustaining the value of human resources.

VETTA workshops are all about ensuring lasting solutions.
