

National Tender Services

Having experienced first-hand the high cost and time needed in bidding for tenders, National Tender Services was established to offer businesses an affordable means of bidding on a continual basis; operating in all 9 provinces, 24 hours a day and 7 days a week.

Our clients rely on us to keep them informed of all the latest government and private tenders, with subscription packages to suit all businesses from start-ups to established companies.

Our Services

1

Tender leads:

We up-load all of the available Tenders and Request For Quotations in South Africa on to our easy to navigate website. You will receive mobile and email notifications with the latest, relevant tender leads for your business - sorted by fields of expertise.

2

Bid Logistics:

Sending staff around the country to attend tender briefings costs time and money. Our network of experienced and trained professionals will represent you at compulsory briefings, collect and submit necessary tender documents on your behalf.

Our primary objective is reducing the stress of tendering from our clients so that they focus on their core businesses. We understand the urgency of obtaining the tender documents post-haste and submitting your completed bids on time – always with affordability in mind.
