Other Updates:

Operational comments and general observations
<p>Weather and other delays:</p> <ul style="list-style-type: none"> Inclement weather conditions over the weekend severely interrupted operations at the Port of Cape Town. In addition, several vessel movements at CTCT were delayed due to high swells.
<p>Load-shedding: No current updates</p>
<p>Equipment Availability:</p> <ul style="list-style-type: none"> The launch at the Port of Cape Town has returned to operation.
<p>Staging Areas Update: No current updates</p>
<p>Bottlenecks:</p> <ul style="list-style-type: none"> The Cape Town Container Terminal has a reefer stack occupancy of 80%. However, the terminal indicated that they would focus on loading out reefers over the next 24-hours, which will alleviate the burden on the reefer stack.
<p>Corridor Update: No current updates</p>
<p>Rail Update:</p> <ul style="list-style-type: none"> No reports for the latest 24-hour period were received.
<p>Policy Updates:</p> <ul style="list-style-type: none"> The latest reports suggest that CMA CGM plans to introduce a container deposit fee effective from 1 July 2023. This comes from high unpaid detention charges by importers who don't return empty containers within the stipulated timeframe. The quantum for the refundable container deposit will be \$2 500 per 20' container and \$3 500 per 40' container. For the refund to be effected, the shipping line will need proof of delivery (POD) as confirmation that the empty container was returned to CMA CGM's empty depot. Refunds should take between 7 and 14 days.
