³ Average refers to the average performance for 2022, using the information available.

⁴ Average refers to the average performance for 2022, using the information available.

Other Updates:

Operational comments and general observations
Weather and other delays: No Current Updates
Load-shedding: No load-shedding was reported at any of our commercial ports over the most recent 24 hours.
Equipment Availability: <ul style="list-style-type: none">The latest reports suggest that CTCT is only operating with 6 STS cranes, leading to low productivity levels and delays in completing the vessels on the berth.
Staging Areas Update:
Bottlenecks: <ul style="list-style-type: none">Reefer stacks at CTCT were closed around 22:00 last night and will only reopen around 22:00 tonight due to the high stack occupancy figures recorded at the terminal.
Rail Update: No Current Updates
