

In efforts to keep stakeholders informed regarding the Container Recovery Plan, Transnet is providing daily status updates on the performance of port and terminal operations.

As of 17 January 2024, there are a total of 15 container vessels at anchorage and a total of 37 gangs deployed across the ports.

A total of 4574 volumes have been handled at the Port of Durban in the last 24 hours.

The Cape Town, Nelson Mandela Bay, and Durban ports remain operational.

Transnet remains committed to improving and sustaining efficient port and terminal performance.

The table below provides an overview of vessels at anchorage and volumes handled as of 06h00 on 17 January 2024.

VESSEL STATUS AS AT
