Hi

Yes we are keen – may aim is to try get 20 firms in GP, KZN and CT to join so we can get region specific info. So far we have 10 but we have only done 1 call to participate.

Hi Stephanie,

WE don't need the list right now yet thanks.

We just for now, need a email confirming you are keen to proceed and believe you will have more than 20 firms participating.

Kind regards

John
