Dear Narieman & the Cape Chamber Team,

I hope you are well.

Please find attached Loop's nomination submission for the 2026 Western Cape Economy Innovation Awards.

Included in this submission are the completed nomination form as well as supporting documents outlining Loop's innovation and impact within the Western Cape transport ecosystem.

Loop is a Cape Town-based mobility and fintech platform focused on digitising payments within the minibus taxi industry through solutions such as WhatsApp-based payments and other cashless mobility technologies. Through this innovation, we aim to improve safety, financial inclusion, and operational efficiency for taxi operators while making daily commuting easier and more accessible for thousands of passengers.

We appreciate the opportunity to participate in these awards and to contribute to the continued growth and innovation of the Western Cape economy.
