**Subject:** Late Submission Request – 2026 Western Cape Economy Innovation Awards Nomination

Dear Cape Chambers

I hope this message finds you well.

On behalf of Ms Rapelang Rabana, I would like to submit a nomination for the **2026 Western Cape Economy Innovation Awards** and sincerely apologise for the late submission, which is approximately two days past the deadline. Unfortunately, we were only made aware of the call for nominations today, 2 April 2026.

Given the strong alignment of our submission with the award criteria and its demonstrated impact within the Western Cape economy, we respectfully request your consideration in granting us grace to submit the nomination despite the delay.

We fully understand and respect the importance of deadlines and appreciate any consideration you may be able to extend in this instance.

Thank you for your time and understanding. We look forward to your guidance on whether we may proceed with the submission.

Yours in Learning

*on behalf of Rapelang Rabana*
