

# Provincial Treasury

## Alternative and Blended Finance

Mobilising capital. Accelerating impact. Building a better future.

### **1** CATALYTIC OUTPUT

A **shift in focus** to alternative income sources for economic growth.

Implementation of an **ABF** Framework **combining public, private, development, & philanthropic** capital to **accelerate infrastructure delivery** and **high-impact social programmes**.

#### **Thus far:**

- **R71.8 million p.a.** ABF initiatives by Department of Agriculture
- Multiple departments have submitted projects, supporting hundreds of firms.

### **2** OUTCOME

Fiscal constraints → structured investment opportunities

Reduced **market risk** & increased **investor confidence**

Increased total investment in **catalytic infrastructure** (transport, energy, water, digital) and social programs

### **3** IMPACT

Faster infrastructure delivery, **lower costs & productivity gains**

**More & better services**

**Job creation**

### **4** LONGEVITY

**10+ years**
