

Portside Building House Rules

-  The building is a work environment, noise levels must be kept acceptable.
-  Portside is a smoke- free building, no smoking is allowed on the floors, on the balconies or in the basement.
-  Designated Smoking Area is outside the building – Hans Strijdom Street.
-  Emergency escape stairs are in front of the event venue hall.
-  Do not use lifts in the event of an emergency rather use emergency escape stairs.
-  Rest rooms are straight down the main event venue entrance.
-  Do not lean on the balcony rails.
