

H2KNOW SUMMIT & EXPO – CALL FOR EXHIBITORS

Date Published: 21 FEB 2018

H2Know

Summit & Expo

What you need to know about H2O

River Club, Observatory, 13th March

Our relationship with water has changed forever. So the Cape Chamber has organised this unique, exciting and informative event.

In addition to a host of speakers with fascinating case studies (such as the Cochabamba Water War), you also have the chance to exhibit your products and services that relate to water security.

The cost to exhibit is modest, and entrance is free, so we expect substantial feet through the door

Please note that exhibition space is limited, so book yours right now – Contact Denise on 021 402 4300 or denise@capechamber.co.za

The quicker you take space, the sooner we can feature you on our social media.

Exhibition opens at 08:00

Speakers from 09:00 to 13:00

Exhibition closes at 14:00

See you at the expo.

CAPE CHAMBER
OF COMMERCE & INDUSTRY

PS: There are also some amazing sponsorship opportunities – contact Dave on 021 402 4300 or email dave@capechamber.co.za

If you'd like to register to attend the expo, please [click here](#) (attendance is FREE):
