

CAPE CHAMBER

OF COMMERCE & INDUSTRY

HELP US SUPPORT OUR CHILDREN

Date Published: 01 AUG 2017

As part of our Women's Day celebrations in August, the Cape Chamber of Commerce and Industry will be collecting and donating sanitary towels to learners who live in disadvantaged communities.

Many girls in disadvantaged communities do not have access to sanitary towels and are unable to attend school during their menstrual cycle. The Chamber would like to assist with their education by providing them with this basic necessity.

Should you wish to help us with this initiative please send your donations by 8 August 2017 to: Cape Chamber of Commerce and Industry, 33 Martin Hammerschlag Way and we will receive your donations at our offices on the 4th floor of the building, or if you wish to assist with a cash donation for the purchase of sanitary towels, then please contact us on Tel: 021 4024300 or email: carmen@capechamber.co.za
