

## **SMALL BUSINESS DEVELOPMENT EXPO 2018**

**Date Published:** 29 NOV 2017

The Cape Chamber of Commerce will be hosting a Small Business Expo on the 10th May 2018.

### The Place To Be

Last year we saw a four-fold increase in attendance at what has become an essential fixture on the small business calendar. Although geared to small business, it also attracts the corporates who want to do business with new vendors. It attracts more than just the curious – a lot of business gets done at the expo. It lives up to the Chamber's motto: "Where Opportunity Meets™"

### Don't Miss Your Spot

The Expo takes place on Thursday 10 May 2018, and although we have quadrupled the size of the exhibition, we have managed to keep the exhibition rates to a minimum. We expect all stands to be sold out – so book early to avoid disappointment. Ideally located within easy reach from the N2, the River Club provides convenient access and secure free parking.

### You Will Meet Opportunity

This is an ideal opportunity to connect with existing and potential clients in a forum that also allows for the sharing of valuable information and networking with a wide array of businesses geared to small business, various business institutions and government bodies. It is literally where opportunity meets.

### Early Bird Discount

To find out if you meet the criteria to exhibit at this dynamic event, download the application form below today. Payment received in 2017 provides you with a 10% discount off our already very low rates.

The Expo is FREE to visitors.
