

SMALL BUSINESS DEVELOPMENT EXPO – FREE TO THE PUBLIC

Date Published: 02 MAY 2018

The Cape Chamber, with support from ABSA, will once again be hosting the landmark Small Business Development Expo.

If you're a current or potential small business owner in the Western Cape, you can't afford to miss this.

Running a small business has unique challenges and opportunities, and this expo explores them all.

This is a landmark event where delegates can connect with the business community that empowers small business – including civil society, private enterprise and government.

This platform will not only give small business a better idea of all the opportunities available to them, but also allows delegates to network among their peers and be left with the most important ingredient for success: inspiration.

Entrance is free and the expo runs from 10 am to 3 pm on Thursday the 10th May at the River Club in Observatory.

For enquiries, contact Denise or Chantal at the Cape Chamber on 021 402 4300 or denise@capechamber.co.za or chantal@capechamber.co.za, alternatively you can book online [here](#).
